WELCOME

On behalf of the Tuscarawas County Fair Board, I'd like to welcome each and every one of you to this special event. The 2025 fair marks our **175th celebration** — a milestone we are proud to share with our community.

This year, we're bringing you **great entertainment, delicious food, and activities for all ages**. The Fair Board has worked together as a team to create an event where families and friends can make lasting memories.

As you walk through the fairgrounds, take a moment to appreciate the **hard work and detail** behind each display — from the livestock barns filled by our dedicated 4-H and Junior Fair participants, to the handmade baked goods, homegrown produce, and garden projects shared by members of our community.

Be sure to notice the **sponsor banners** throughout the grounds. These generous local businesses and individuals play a huge role in making the fair possible. We are truly grateful for their continued support.

It's important to remember that the fair is brought to life by a dedicated group of **volunteers**. To everyone who has helped — past and present — we sincerely thank you. Your time, passion, and guidance have made this event what it is today. To the mentors and friends who are no longer with us, we honor your legacy and the foundation you built.

We hope you enjoy all that the 175th Tuscarawas County Fair has to offer. Thank you for being a part of this memorable celebration.

Josh Rennicker, Vice President

MEET THE 2025 Tuscarawas County Agricultural Society Board Members

Josh Rennicker
VICE PRESIDENT
MILL TOWNSHIP
TERM EXPIRES: 2026

I was elected to the Fair Board in 2020. I am looking forward to helping make the fair grounds better than it was before my term began. I am here to serve the community for the next years. I am a resident of Uhrichsville, where my wife, Brittney and I raise our eight children; Kendall, Kail, Kellen, Kable, Kollder, Kenlee, Kutler and Kylla. In addition to children, we raise cattle and many 4-H projects. I am fully invested in assisting the fair and the 4-H program to be the best that it can be.

I am looking forward to learning new things from the current fair board members who bring years of experience and leadership to the table. I hope to be a member for many years to come and help anybody with issues or concerns to help make the fair grow into a world class fair in Ohio!

Dave Miller
EXECUTIVE COMM.
SUGARCREEK TOWNSHIP
TERM EXPIRES: 2027

I'm Dave Miller. I first want to Thank You for all the opportunity to serve as a board member of the Tuscarawas county fair. Our fair means a lot to me; I was involved in 4-H growing up, met my wife of 18 years at the fair and now we are raising our 3 boys in the agriculture and 4-H environment. I feel 4-H and caring for livestock builds character and responsibility for youth development.

As a family we raise Market Lambs for show and sale, and showing them at local, state and national levels. We also operate a greenhouse and cut flower business on our farm.

If you have any thoughts or concerns please let me know and I will assist in any way I can. Thank you.

John Hochstetler
DIRECTOR
JEFFERSON TOWNSHIP
TERM EXPIRES: 2026

Hola fairgoers! I can remember the most exciting day of my childhood being that Friday of every September when my dad was picking me up early at York Elementary with the truck and trailer to go race our horses at our home fair for the weekend. While I wasn't in 4H like many of my friends, I got to see 20+ fairs per year as a kid and it was always special when it was OUR fair time. It is now a great privilege to serve on this board and to be active in the direction that our fair heads.

I am a resident of Jefferson Twp where my family and I operate Stone Creek Stables horse breeding and racing farm.

With a passion for vendors and concessions, I look forward to contributing to the growth of our fair's appeal to its attendees and exhibitors. I also am thankful, daily, for the beauty of our historical grounds and the work that this board has put into preserving it. Operating a racehorse stable on the backside of the track, sees me on the grounds year-round. Please feel free to grab me throughout the year or during fair week to introduce yourself; and let us know how we can make our beloved fair an even better one next year.

Tyrone Brannon
DIRECTOR
BUCKS TOWNSHIP
TERM EXPIRES: 2025

Hi, I am Tyrone Brannon. I reside in Bucks Township (Stone Creek) with my wife, Megan and our 2 sons, and I work in agriculture at TMK Bakersville.

I was an 11-year 4-H member, a member of the Junior Fairboard, and Vice President of the Buckeye Career Center FFA. I joined the Tuscarawas County Agricultural Society Board to help continue to make the fair as great as it was when I was in 4-H. I believe that 4-H and the fair experience help kids become better leaders in the community.

I would like to see the fair transform into a 21st century space to show and learn for both attendees and exhibitors while still holding onto the rural charm of our county. I love that the fair is a yearly gathering place for friends to reminisce about the past and I want that tradition to continue.

My agricultural experience coupled with my passion for the fair make me really excited to create a great experience for everyone at this year's Tuscarawas County Fair.

Wendy Shumaker
DIRECTOR
JEFFERSON TOWNSHIP
TERM EXPIRES: 2027

Hello Tuscarawas County! My name is Wendy Shumaker and I am one of the newest board members, having been elected in November 2024. I am looking forward to learning how the fair operates and continuing to grow the fair as a fun and safe place for families to come and enjoy.

My family and I reside outside of Stone Creek in Jefferson Township. I was involved in 4-H as a child and both my children have participated in the Tuscarawas County 4-H program. I grew up in and around the fair and am excited to be a Director on the fair board, so I can continue to share my experience and enthusiasm with others.

I would encourage everyone to get involved and volunteer during the fair. Thank you!

Dan Widder
DIRECTOR
SUGARCREEK TOWNSHIP
TERM EXPIRES: 2025

I was raised on a dairy farm in Sugarcreek. My love for the Tusc. Co. fair began when I joined 4-H and showed hogs and dairy calves for 11 years. This enjoyment grew and strengthened when my son and daughter were in the 4-H program showing dairy and hog projects.

Having assisted my dad, Doran, (who served the fair board over thirty years) with picking and hauling animals for Old McDonald's Farm, I learned a lot about what goes into a fair. The challenge of setting up Old McDonald's Farm comes in planning on having a mother and young offspring of many different farm animals to delight all ages. To many of the county's children, this is their only experience with farm animals so is important to be around to answer questions and take school groups through. We try to educate the youngsters by showing what various animals look like, eat, how to care for them, and what they provide for consumers.

Todd Kendle
DIRECTOR
YORK TOWNSHIP

Hi, my name is Todd Kendle. I have been involved in the Tuscarawas County Fair for 41 years, either as a 4-H member, Senior Fair Board Member, or 4-H parent/volunteer. It is my goal to uphold and build upon the integrity of the Junior Fair that has been brought forth by previous board members. To me, the fair provides a place for our hardworking 4-H and FFA members, as well as member of our community, to display their projects and the fruits of their labors. It is also a place to educate the greater public about our agricultural roots and the role of agriculture in our lives today.

Wendy Vogel
DIRECTOR EMERITUS

I am Wendy Vogel and am proud to say, I love the Tuscarawas County Fair! The fair has always been a big part of the Vogel's lives. I met my husband Keith there when we were in high school, and we raised our three children to be as active as they could be in the Tuscarawas County Fair and 4-H programs.

After over 20 years since my oldest child started our involvement in 4-H, my youngest just ended his 4-H career in 2023. As I have been helping, and serving on committees in both areas, I felt this was a good time to step back a bit from the 4-H program and help out more where I could in planning, preparing and executing the best fair around.

I am a huge fan of the Tuscarawas County Fair, and the families that we are raising in it. So, if there are things that I can do to keep that tradition going, I definitely want to be a part of it.

MEET THE 2025 Tuscarawas County Agricultural Society Board Members

Cory Downing
DIRECTOR
WARWICK TOWNSHIP
TERM EXPIRES: 2027

Hi, My name is Cory Downing. This is my first year on the fair board. I reside in Warwick township. I have been happily married to my wife Danielle for 9 years. We have 3 children Brady, Carter, and Remi.

My kids all show cattle and hogs. I'm a supervisor at Kimble's. My hobbies are hunting and farming. I love being behind a tractor. I started showing when I was a kid. Then got on market livestock before wanting to join the Fair board.

I want to make the fair a great place to come and enjoy your family and friends. I have made many great friends coming to the fair and hope to keep you all wanting to come to the fair for many years to come. If you ever have questions or concerns you can always come to me and I will address it in the best way I can.

Mathew Hursey
DIRECTOR
OXFORD TOWNSHIP
TERM EXPIRES: 2027

I am the fourth generation of my family to serve as member of the Tuscarawas County Senior Fair board. It has always been a dream of mine to serve on the board and help to put on a successful fair for the Tuscarawas County community.

Prior to the Fair board I served as a member of the Tuscarawas County Small Animal Committee and a key leader for the Tuscarawas County 4-H Program. I would like to thank the community for all of the wonderful support that makes the 175th Tuscarawas County Fair possible, and I hope everyone enjoys the fair this year.

Sue Kimble
DIRECTOR
DOVER TOWNSHIP
TERM EXPIRES: 2026

I'm Sue Kimble and the Tuscarawas County Fair has been my life!

With no children of my own, I have invested my time and talents in Tuscarawas County by volunteering at the fair in a variety of capacities over the years. I have worked in the treasurer's office with Bill Young and worked as the groundskeeper. Eventually I was elected to serve on the fair's Board of Directors.

I also enjoyed mentoring my nieces and nephew when they were in 4-H. I feel I can continue to give back to our community by mentoring younger board members and helping them to Make The Best Better at this great fair.

I encourage everyone to get involved and volunteer at our Tuscarawas County Fair. It will be the experience of a lifetime!

Award-winning duo Maddie & Tae channel their unbreakable bond, honest songwriting and "some of the tightest harmonies on Music Row" (Rolling Stone) into their fourth studio album, the recently released, *Love & Light*, which the Associated Press calls "the soundtrack to a summertime road trip with girlfriends." The 16-track album features the songs "Free Like," "Sad Girl Summer," "Heart They Didn't Break," "Kissing Cowboys" and "Chasing Babies & Raising Dreams." Maddie & Tae are currently on tour and made their headline debut at Nashville's famed Ryman Auditorium to a packed hometown crowd where they celebrated the success of two of their hits - the 4x Platinum -certified "Die From A Broken Heart" and Platinum-certified "Friends Don't." Together as longtime friends and music collaborators, Maddie Font and Taylor Kerr previously drew praise for their project *Through The Madness Vol. 1* and *Vol. 2*, and their No. 1 debuting *The Way It Feels* album. The hit "Die From A Broken Heart" topped the country airplay charts, making Maddie & Tae the first and only female twosome with multiple No. 1s. Maddie & Tae first broke out in 2013 with their brilliant counter to bro-country, the Platinum-selling smash, "Girl In A Country Song," which took Country radio by storm, skyrocketing to the top of the charts and establishing them as only the third female duo in 70 years to top the Country Airplay charts. They took home Group/Duo Video of the Year ("Woman You Got") at the 2022 CMT Music Awards. They have earned trophies from the Radio Disney Music Awards and CMA Awards, along with multiple ACM, Billboard and CMT Music Award nominations. Maddie & Tae have received widespread praise from Associated Press, Billboard, Entertainment Weekly, NPR, The Tennessean, The Washington Post, Glamour and others. The celebrated duo has toured with country music's biggest names including Carrie Underwood, Dierks Bentley, and Brad Paisley.

FOR CAKE:

- 2 cups flour
- 1/2 cup white sugar
- 2 Tsp. Baking soda
- 1 Tsp. Vanilla
- 1/2 Tsp. Salt
- 1 cup apple cider
- 1 stick unsalted butter, softened

- 1/2 cup packed brown sugar

FOR FILLING/STREUSEL CRUMBLE:

- 3/4 cup packed brown sugar
- 2 Tbsp. Cinnamon
- 1 cup flour
- 1 stick unsalted butter, softened

PREP: 20 MINUTES / BAKE: 50-60 MINUTES / SERVINGS :9

INSTRUCTIONS

MAKE CAKE:

PREHEAT OVEN TO 350 F

In a medium bowl, mix cake batter's flour, baking soda, and salt. In a large bowl with an electric mixer, cream butter, brown sugar, white sugar, and vanilla until lightened in color. Add half the dry ingredients to the bowl. When mostly combined, add apple cider and apple cider vinegar. Once combined, mix in remaining dry mixture. Finish off with spatula to avoid overmixing.

MAKE FILLING/STREUSEL:

Cut butter into the dry ingredients (brown sugar through cinnamon) with a fork, pastry cutter or food processor until a crumb forms and set aside.

ASSEMBLE:

Spoon / pour half the cake batter into a greased 8 x 8 inch (or 9 inch round) baking dish, covering all corners with batter. Sprinkle a thin layer of streusel crumbs over the batter, then pour the remaining batter on top. smoothing out to the edges of the dish. Sprinkle remaining streusel in an even layer across the top. Place on a cookie sheet on the middle rack of the oven and bake 55 - 65 minutes - if streusel crumble darkens too quickly, lightly cover with aluminum foil. Cake is done when toothpick inserted in center comes out clean. Cool completely before cutting and serving

JR. FAIR GENERAL GUIDELINES

All rules and guidelines apply to all exhibitors, parents, 4-H/FFA volunteers and supporters, fair visitors, and concessionaires at all 4-H/Junior Fair related activities for the current year, and at all activities which qualify any individual to participate at the fair. During the course of the year any additions, changes, and/or amendments of the guidelines will be available at the Extension Office, Junior Fair Office, and the Senior Fair Office.

JUNIOR FAIR RULES—2025

1. Tuscarawas County Agricultural Society reserves the final and absolute right to interpret these rules and regulations and to arbitrarily settle and determine all matters, questions, or differences in regard thereto or otherwise arising out of, connected with, or incident. It further reserves the right to determine unforeseen matters not covered by these rules, to amend or add to these rules as in its judgment it may determine, and to withdraw all premium offerings in all departments should any emergency and circumstances demand it.
2. Senior Fair Board rules apply in the absence of a Junior Fair rule.
3. Junior Fair exhibitors must be enrolled in one of the Junior Fair organizations with project by designated dates. All boys and girls are eligible to enter the Junior Fair Program when they are eight and in the third grade as of January 1 of the current year. Eligibility ends December 31 the year they turn 19.
4. All members must exhibit their project at the county fair with the club in which they are enrolled.
5. Exhibitors are required to attend a Tuscarawas County Quality Assurance Program sponsored and conducted by Ohio State University Extension before exhibiting a hog, beef (market steer, beef breeding, beef feeder calf, dairy steer or dairy feeder calf), lamb (market or breeding), goat (market, dairy, utility, or pygmy), poultry (broiler, fancy, pullets, turkey, market duck or water fowl), rabbit (breeding or market), or dairy (cow or heifer) at the Tuscarawas County Junior Fair show.

As an option, county Extension professionals and senior fair board members may elect to allow 12-14 year-old and 15-18 year old 4-H and FFA members to test out of their annual Quality Assurance (QA) program. Youth ages 12-14 years who pass the QA test can test out of their annual QA program for up to 3 years. Youth ages 15-18 years who pass the QA test can test out of their annual QA program permanently. Those successfully completing the test out option must pick up a packet of QA material from the Tuscarawas County Extension office. These ages are as of January 1 of the current year—a youth's 4-H age.

All horse and pony exhibitors must have completed the EquiStep Program. Additionally, all horse and pony exhibitors must have accessed a county horse packet containing current year policies and guidelines.

All dog projects must have received care and ethics training specific to their species at project training meetings.

6. All Junior Fair exhibitors must be exhibiting a project at

the Tuscarawas County Fair to be eligible to receive a fair wristband for admission to the fair. In addition, a member must have completed all requirements set forth by their local club/chapter constitution, and have attended an interview judging process. Members must be in good standing with their club. 4-H and FFA advisors have the right to refuse a pass to members who have not completed these requirements.

Wristbands distribution will be in the Clover Cafe on the following dates:

Friday, September 12, 2025; 3:00 to 5:00 p.m.

Saturday, September 13, 2025; 10:00 a.m. to 2:00 p.m.

Sunday, September 14, 2025; 12:00 to 5:00 p.m.

7. Each 4-H club has a definition of completion in their constitution. Advisors must submit their completed club completion sheet, indicating whether or not a member's project is complete and to be exhibited at the fair, to the Tuscarawas County Extension Office by September 8, 2025, as stated on 4-H calendar.
8. All animal projects to be exhibited at the fair must be owned and in continual care of the exhibitor during the project year. The project animal shall either be owned by the exhibitor or leased (horses and dairy only) and verified by the 4-H or FFA advisor by their designated registration date as noted below.

Possession and registration dates (for project and back-up animals) are as follows:

All market beef must have been weighed in December 2024 to be eligible to show.

Horse and ponies must be in possession with registrations and pictures submitted by June 2, 2025.

All turkeys must be picked up at Gerber in Dover on the designated date in May. Tentative week is May 19, 2025.

Back-up Animal Rule: Although not required, non-market exhibitors may choose to have one back-up animal in the event the primary animal is unable to come to the fair. There is a limit of one back-up per exhibitor per registered project animal. If there are 2 or more exhibitors, regardless of relationship, residing in the same household, they may share one back-up animal. In a household with multiple exhibitors and multiple back-up animals of the same project, each back-up must be designated to a specific exhibitor.

Market exhibitors may designate one primary and one back-up for a total of two animals with one being eligible to exhibit at the Tuscarawas County Fair. Members residing in the same household (with at least one parent residing in the home) may share back-up animals if each back-up animal is registered to at least one exhibitor in the household. This may be a brother/sister, half-brother/half-sister or other nonrelated child with established residence in the home.

9. **All Junior Fair exhibitors must have their official entries using the on-line entry form (<http://tuscjrfair.fairentry.com>) completed and submitted by their parent or legal guardian by August 7 of the current year at 11:59 p.m..**

A GRACE PERIOD WILL BE EXTENDED FROM AUGUST 8 TO AUGUST 14 DURING WHICH ENTRIES MAY BE MADE WITH A LATE FEE OF \$100 PER CLASS ENTRY.

Junior Fair Exhibitors MUST sign up for Showmanship Class and Bred, Born and Raised classes when submitting their entry form by entry deadline.

10. All entries of Junior Fair livestock will be housed in the Junior Fair area unless a request is made for the open class barn (dairy and beef only). This request must be made with your entry by August 7 of the current year at 11:59 p.m.. No guarantee of open class housing will be made. Stall assignments will be worked out by the Extension Office and Junior Fair Board and all requests will be considered.

**** Please state on your Junior Fair entry if and how many open class animals you have, and if you have a specific reason to be housed in a specific barn. ****

11. All pens are pre-assigned and an exhibit card will be given to each exhibitor. No pen assignments may be changed without prior approval from an Extension Professional. If an animal does not make weight, the pen may be reassigned to another exhibitor at the discretion of the Extension Professional. An attempt will be made to contact the exhibitor originally assigned to the pen. If unsuccessful, any personal items will be held at the

Junior Fair Board office. A procedure for the placing of grooming chutes will be announced prior to fair.

All exhibitors are responsible to care for their own project during the fair including proper feeding and watering, cleaning stalls and providing proper bedding, etc. If exhibitor fails to keep pens and animals clean, they will be contacted and asked to take corrective action. 5:00 p.m. Breeding Rabbits,

18. **All pens must be cleaned out by the exhibitors when the animal leaves the fairgrounds. NOT BEFORE animals leave.** Exhibitors with poultry, rabbits, goats, sheep, hogs, and horses should completely clean out pens. Exhibitors with beef and dairy should pull bedding 24 inches away from the wall and clean the area between the bedding and back wall. Fair premiums will be held for pens not cleaned.

19. Junior Fair exhibitors are required to keep their animals in the pens or stalls assigned to them by Junior Fair officials. All cattle should be securely fastened. There shall be NO locks allowed on any cage or pen in case of emergency. Locks will be cut off if put on. No fans are allowed on stands on the fairgrounds. All fans must be suspended above the animal.

20. **Each department will expect courteous and orderly conduct by the volunteers, parents, exhibitors and their attendants and helpers. Harassments, profanity, or unsportsmanlike conduct toward fair officials, judges, show manager, help, or exhibitors will not be tolerated. Any violation of this rule would warrant removal from the activity and/or the fairgrounds. Sale shares, or parts thereof, may also be withheld from exhibitors.**

21. Junior Fair exhibitors may enter open class divisions with non-market animals only. Once an animal is designated as a market animal, it must retain that designation. Entries of non-market animals may be made with the Senior Fair Board Secretary by the designated date. These entries must conform to open class rules and regulations.

22. All Junior Fair exhibits must be shown by the member making the exhibit in showmanship classes. In

conformation classes, special arrangements may be made with the Extension Professional to have another Junior Fair exhibitor show their project. Only emergency or unavoidable situations will be considered. Permission slips may be obtained from the Extension Office. The form must be on file during the show. Any Jr. Fair animal on the grounds is eligible to be used in the livestock judging contest on Saturday. If families do not wish their animal to be used in the judging contest, a form must be returned to the Junior Fair Board Office by 12:00 p.m. Noon the Friday of the fair.

Showmanship classes will be held at specifically designated times for all species. Classes are open to all Junior Fair livestock exhibitors within the species. Members must show their own animal. Exhibitors MUST sign up for showmanship on their fair entry form. Classes are determined by member's age. Helpers will only be allowed in the ring under special circumstances. The member requesting a helper must complete a request form and receive approval from the Extension Professional and Sr. Fair Board prior to the show. Ages and guidelines are listed later in this tabloid.

23. All health regulations pertaining to Senior Fair livestock shall apply to Junior Fair livestock exhibits. All animals will be inspected by a fair veterinarian as they are unloaded.
24. All animal projects may be inspected at any time for compliance to all fair rules.
25. Parents wishing to feed and care for animals exhibiting must pay for admission at the gate or purchase a membership or season ticket which may be exchanged for a wristband.
26. ONLY Junior Fair exhibitors with livestock projects will be permitted to stay overnight and ONLY if parental permission is granted and they agree to supervise and assume all responsibilities for their child(ren)'s actions. Exhibitors will only be allowed to stay in designated areas and must have adult supervision. Any Junior Fair exhibitor engaged in any misbehavior may have their parents called and be dismissed with their exhibit from the fairgrounds for the rest of the fair.
27. Exhibitors show and display their animals at their own risk. Natural or man-made catastrophes and thefts are not covered by insurance. Security against loss or theft is the owner's responsibility.
28. Testing for drugs: The Tuscarawas County Agricultural Society shall have the right to require places 1 through 5 in each class of animals, or any other suspect animal, to be subject to examination or tests as prescribed by the Commission to determine if a substance has been administered to the animal to change the conformation or temperament of the animal. Any individual and/or exhibitor requesting testing must file a written protest and \$100 deposit (filing fee) with the Senior Fair Board. If blood tests are positive, the exhibitor pays the costs and protest money is returned. If blood tests are negative, the protest fee is kept to cover all costs.

JUNIOR FAIR TAMPERING AND/OR MISREPRESENTATION RULES

Tampering and/or misrepresentation as to breeding, age, ownership, and any other irregularity in showing will be considered fraud and deception. To maintain a high degree of confidence and integrity in the livestock show, the Agricultural Society reserves the right to disqualify any animal fitted in an unethical manner and disqualify the exhibitor and the exhibitor's assistants who fitted the animal involved.

Unethical fitting shall include any cutting or tearing of the hide, cutting or tearing underneath the hide or removal of tissue in any attempt to alter the shape or appearance. It shall also include attempts to disrupt or change normal dental development, adding artificial tailheads, switches, polls, hair and heels, as well as any attempt to change the conformation and degree of firmness, by administration of fluids or air internally or externally in a liquid, solid, or gaseous state.

THE USE OF CLENBUTEROL AND OTHER UNAPPROVED DRUGS IS PROHIBITED.

All exhibitors, their immediate family, and any other parties involved in the unethical fitting and showing of an animal at any fair or livestock show will be barred from exhibiting or showing at this fair and will forfeit all premiums, prize money, and awards won in any Junior Fair and/or Open Class divisions.

SHOULD FRAUD OR DECEPTION AND PROOF, AS DETERMINED BY THE AGRICULTURAL SOCIETY, BE DISCOVERED AFTER THE ANIMAL OR ANIMALS HAVE BEEN SHOWN AND PRIOR TO THE SALE, such animal(s) shall not be permitted to sell. The animals placing next in line at the show shall move up.

SHOULD VIOLATION BE DISCOVERED AFTER THE SALE, all sale money shall be returned to the buyer. All placings in show will stand. NO animals will move up. Any carcass suspected of being tampered with or suspected of containing drugs will be detained until the investigation is complete.

IF THE CARCASS IS CONDEMNED at the packing plant for any reason, it shall be grounds for disqualification in the on-foot and carcass division of the show. Additionally, all premiums and sale money shall be forfeited and the loss of the animal be incurred by the exhibitor.

RULE VIOLATIONS

In the question of a rule violation, the following process will be used:

A person who wishes to lodge a complaint or report a suspected rule violation must do so in writing. The written report/complaint must be signed and personally delivered to either the Tuscarawas County Agricultural Society Secretary's office or, if during the annual fair, the Junior Fair/4-H office.

The exhibitor and/or parties involved will be questioned by Fair officials. If it is felt a violation has occurred, Fair officials will make recommendations to the designated committee of the Agricultural Society which is appointed to that particular department. After the committee hears the allegations and/or evidence, they will decide if the case should be brought before the full Board of Directors.

In the decision of allegations being brought before the Board, all parties involved will be notified of a meeting date with all parties having the right to present their views and/or evidence. Upon hearing the case, the Fair Board will make a ruling.

When satisfactory evidence has been obtained by the Fair Board that any of the livestock rules have been violated, the exhibitor and/or exhibitor's family may be barred from showing in any future agricultural fairs. The minimum number of years for disbarment is three (3) years before the right to a review.

In case any premiums shall have been awarded to animals shown in violation of this rule, the Fair Board will require the exhibitor to refund all premiums, trophies, awards, ribbons, and sale money under each violation. Unless fraud and/or deception are involved, all championship placings stand.

See Chapter 901-19 of the ODA Rules available in this book.

29. A Junior Fair exhibitor may carry a combination of 4-H, FFA, FCCLA, etc., projects; however, they cannot be the same item, and they will only be paid premiums on three total projects.

Members may exhibit a maximum of 5 animals. Maximum exhibits within a species are as follows:

HORSES	1 draft, 2 saddle
BEEF	1 steer (market or dairy), 1 breeding, 1 feeder calf
SHEEP	1 market, 1 breeding
SWINE	1 market
DAIRY	2 providing they are in 2 different classes
GOATS	2 providing they are in 2 different classes
RABBIT	2 breeding and 1 meat pen; a member may also take a pet rabbit which does not exhibit at the fair. Breeding projects can be the same class.
POULTRY	4 total with a maximum of 2 market and 2 fancy. Fancy projects can be the same class.

30. Members not turning in entries on time or within the stated grace period will not be eligible to receive any fair sale proceeds. Members are only eligible to receive money from the sale and or shares associated with two revenue generating exhibits, regardless of the number shown. For example, a member exhibits a dairy cow project, a steer, and a market rabbit. Although the member has the potential to generate revenue from the sales/shares from three animals, he/she can only receive proceeds from two of the animals. **In this case, the member must declare from which two sales he/she wishes to receive proceeds 24 hours prior to the first sale. The proceeds from the third sale will be retained by the respective committee.**

If a member earns a grand or reserve champion this must be one of the sales. If an exhibitor wins a third Market champion, either grand or reserve, the exhibitor will only receive a fair market value for the animal with the premium being donated back to the Tuscarawas County 4-H Endowment.

Jr. Fair Guidelines, Cont.

31. Tuscarawas County Fair Sales (Market Livestock, Dairy, and Small Animal) will be held in a hybrid format (simultaneously live and on-line). The Top Five/Ten in each species will sell first. An animal may pass through the sale only once.
32. Any steer, lamb, hog, or goat exhibitor who does not wish to sell their market animal must turn in a No-sale form to the Junior Fair Office 24 hours prior to the start of the respective sale. Forms will be available at the Junior Fair Board Office.
All market poultry & market rabbit projects must go through the auction.
All grand champion and reserve champion animals in the following categories must go to a Fair Board approved slaughter house to be slaughtered. They may not be sold at any livestock auction market subsequent to the Tuscarawas County Fair Market Livestock Auction or Small Animal Sale: market beef, dairy steers, hogs, sheep, market goats, market broilers, market turkeys, market rabbits and market ducks.
33. Exhibitors' appearance should be neat and clean while in the show ring and during sales. Apparel advertising a business, farm, association, or commodity group should not be worn. 4-H club shirts and polos are acceptable. Long pants are recommended. See your project resource book and/or project guidelines for recommended attire.
34. **All livestock must be properly handled, transported, and treated and not abused.** Extension Professionals, committee members, and Senior Fair Board members will have the discretion to refuse entry of any animals transported in an inhumane manner. Said officials will have the discretion to dismiss the exhibitor and the animal from the fair at any time for any other abusive treatment or handling. Those exhibitors and animals dismissed will not be permitted to show and/or sell. During the course of an exhibition if an animal becomes so unruly that it is a threat to itself or dangerous to exhibitors or bystanders, the Extension Professional and Senior Fair Board Representatives shall require the animal be removed from the fairgrounds, forfeiting any further participation rights in 4-H/FFA or fair activities.
35. There will be no bedding provided by the Senior Fair Board and no stock piling of any bedding. Each exhibitor is responsible for his or her own bedding. Wood shavings, wood chips, sawdust, straw, and other bedding appropriate for the species should be used. Paper products may not be used for bedding.
36. In order to receive the proceeds from any sale held during the annual fair, all Junior Fair exhibitors must present Thank You notes for their buyers to sale committee representatives. Additionally committees may require proof of project book completion for issuance of sale premium earning. **If a Junior Fair Sale Check has to be reissued, a \$50 processing and re-issuance fee will be assessed.**
37. If an animal dies at the fair but made it through the check-in process and was exhibited, the youth may walk through the sale. If the youth has a back-up animal, they may offer that animal to the buyer instead. If an animal dies prior to exhibition, the youth will not be eligible to go through the sale.

BEEF DEPARTMENT

DIVISION: MARKET BEEF

Check-In: Sunday, September 14, 2025, 12:30 p.m. to 3:30 p.m.

Weigh-In: Sunday, September 14, 2025, 12:30 p.m. to 3:30 p.m.

Show: Tuesday, September 16, 2025, 3:00 p.m.

Release: Sunday, September 21, 2025, 7:00 a.m.

Premiums: Gold - \$8, Silver - \$7, Bronze - \$6

Exhibitors may exhibit only one market beef animal whether it be a market steer, dairy steer or market heifer.

1. All exhibitors must have achieved a bronze or above at livestock interview judging in order to exhibit at the fair.
2. All market beef shown and sold at the Tuscarawas County Fair must have been weighed at the December weigh-in.
3. All market beef must be properly castrated, if applicable, and dehorned by December weigh-in to be eligible to show.
4. All projects must be registered on-line through 4-H Online by June 2, 2025.
5. A member may choose to exhibit a heifer instead of a steer as their market beef project. All the same weight limits and rules for the steers still apply. If there are fewer than 3 market heifers exhibiting, they will show in their respective weight class with market steers. If there are 3 or more market heifers exhibiting, they will show in their own class and the winner of that class will show for overall champion market beef. Market heifers must have been tagged and weighed in at the December tag-in. Once a heifer is tagged in as a market beef animal, she is not permitted to be switched to beef breeding.
6. Animals must be halter broken and trained so exhibitors can handle without assistance.
7. Classes will be divided by weight. Heifers will have their own class.
8. All animals must weigh a minimum of 1,000 pounds at fair weigh-in. Official weight as determined by members of the Market Livestock Committee is final.
9. If an animal does not make minimum weight, it must be removed from the fairgrounds.
10. The market animals sold at the sale must be left with a rope halter to assist in loading animals on the truck. The halters will be left at the animal's tie stall unless needed by the trucker.
11. All cattle must be tied with neck ropes in addition to halter for safety purposes during the fair.
12. No fans are allowed on stands in the barns. All fans must be suspended above the animal.
13. All Junior Fair Exhibitors must remove their beef grooming chutes following the Livestock Sale on Thursday, unless they are exhibiting in the second Open Class Beef Show.

14. If more than five dairy steers exhibit, a separate dairy steer class will be offered and a grand and reserve dairy steer selected. If there are fewer than five dairy steer entries, dairy steers will show with beef steers and the champion steer will be determined from the overall pool.

15. Any and all drenching is prohibited unless done by the designated fair veterinarian.

16. Once a market beef animal is tagged in under a 4-H or FFA member's name for the Tuscarawas County Fair, that animal is not permitted to be shown by any other person (other than another current JR Fair member) or under another name. Not adhering to this rule will result in the member not being permitted to exhibit their animal at the Tuscarawas County Fair.

1. The purpose of the county Bred, Born, and Raised steer show is to give local exhibitors and breeders a chance to showcase their abilities and skills in producing county bred and raised livestock. In this class the dam of the exhibited animal must be owned AND housed in Tuscarawas County. Winning steers will be subject to a DNA test. This will require a tail hair sample from the BBR steer and dam. If the breeder is unable to produce the dam for purposes of obtaining a DNA sample for any reason or if the DNA does not match, the winner must forfeit trophies, banners, etc., and their family may not participate in this class the following year.
2. The Bred, Born & Raised market animal must be the same animal the member is exhibiting at the Tuscarawas County Fair in the Market Beef division.
3. The animal must be owned and in continual care of the 4-H member by the time of the December weigh in to be shown and sold at the Tuscarawas County Fair.
4. Exhibitors must register for the Bred, Born & Raised class as part of their fair entry. The Bred, Born, & Raised class entry is a separate entry from the members Market Beef class entry.

The member must supply the original tag number and the replacement tag number to the Extension Office along with a picture of the new tag in the hog's ear; the numbers of the new tag must be readable. If the hog is cleared by the fair vet after the end of the annual fair, then the Senior Fair Board will make a good faith effort to obtain fair market value for the hog. The exhibitor will receive the proceeds from the sale of the hog less the costs incurred in its treatment and care. The hog will not be returned to the exhibitor. FUN SHOW

Release: Saturday, September 20, 2025 at 4:00 p.m.

Premiums: Gold - \$8, Silver - \$7, Bronze - \$6

Exhibitors may exhibit a maximum of two horse projects.

1. All exhibitors must have achieved bronze or above in project interview judging to exhibit at the fair.
2. The Tuscarawas County 4-H Saddle Horse Program will be governed by the "Uniform Rules for 4-H Horse Shows."
3. Members may be taken in anytime at the discretion of the 4-H advisor and if 4-H meeting requirements can be met, but only those listed as members as of April 2, 2025, may show at the fair providing completed entries are returned on the dates specified and the member has completed Safety and Ethics and completed interview judging. Clubs set their own meeting requirements, but are highly encouraged to require attendance to at least eight meetings and/or workouts.
4. Member's 4-H age is determined as of January 1. Classes will be determined by age. A 1st year or new member only may show in a more experienced level class upon decision of the advisor. Member must maintain status thereafter.
5. All animals carried as 4-H projects must be owned or leased (with approved Lease Agreement on file with County Extension Educator) and in continual care of the 4-H members by June 2, 2025. Continual care does permit boarding of an animal, provided the member is involved in caring for the horse a minimum of 4-5 days per week and the horse is not a production animal. All primary and back up horse projects must be registered in 4-H Online by June 2, 2025.
6. Because of animal welfare concerns horses with a body condition score of less than 4, when using a scale of 1-9 (ribs easily discernible, tops of spinous

process easily discernible, tailhead prominent with hook bones easily discernible, withers accentuated, and neck obviously thin), obviously sick horses, and horses with Grade 3 or greater lameness (consistently observable at the trot; marked nodding, hitching or shortened stride, and minimal weight bearing in motion or at rest) are not allowed at 4-H shows. The show manager, show vet if available or the judge can dismiss a horse from the show for these reasons.

7. An animal, carried as a project, may be shown at a county show or at the fair by only one club member. (One person per animal.)
8. Project animals cannot be switched during the year.
9. Lessons, instruction, and advice for the member are encouraged. As long as the member is present in a learning situation, such assistance can include occasional riding or handling of the horse by another person, but cannot include regular training and care of the horse within 30 days of competing in any 4-H classes such as a PAS show, the Ohio State Fair, and the Tuscarawas County Fair. Showing a 4-H member's project animal in a class at a show is not considered training. However, if a project animal is shown by someone other than the 4-H member in an open or breed show within 30 days prior to 4-H competition, the 4-H member must be present and must show the project horse in that show.
10. All members are required to exhibit in a showmanship class (except production showmanship) to be eligible to exhibit in any other class (does not include showmanship in versatility class). Entry in horsemanship classes will be optional for all members. Entries in the showmanship championship class will come from the first and second place winners of all showmanship classes and will occur after the showmanship classes.
11. All grievances pertaining to the 4-H saddle clubs must be filed with the Extension Educator, 4-H and/or the saddle horse 4-H committee representative. The

Jr. Fair Horse, Cont.

- Extension Educator will decide if it should be handled by the appropriate Senior Fair Board Committee.
12. It is expected that all exhibitors, parents, and advisors involved in the 4-H program to conduct themselves in a positive and courteous manner including:
 - a. Courteous to all other members/clubs in the barn-doors open and passable for all horses and people.
 - b. Refrain from using profanity.
 - c. No smoking in the barns.
 - d. If you are not going to utilize all stalls you are originally assigned, please share space with adjoining clubs.
 - e. Be a good role model for your children and members.
 13. In order to exhibit, members must submit entries by August 7 of the current year at 11:59 p.m.. Advisors will not approve entries of members not doing acceptable club work. Such members will not be permitted to show.
 14. If a horse kicks or is potentially dangerous to exhibitors or bystanders, the horse should be kept home or will be dismissed from the fairgrounds upon arrival. Horses that have been dismissed from the fair are not permitted to be used as a project animal again.
 15. No one other than the member will be permitted to show his/her animal at the Tuscarawas County Fair or any 4-H event (except during designated Fun Show classes).
 16. There shall be NO other rider on the horse except the 4-H member at the Tuscarawas County Fair. Immediate family members and outside parties may only lunge or exercise in hand, with a lunge line, halter, lunge whip, or saddle. No bits, bridles, or other training aids (i.e. tie downs, draw reins) may be used on the horse when lunging.
 17. Each exhibitor will receive one stall per project. All members are required to house their horse(s) on the fairgrounds for the duration of the fair unless otherwise directed by Senior Fair Board. All stalling is subject to change pending stall availability.
 18. All horses will be required to stay at the fair until the established release time, unless excused by a vet, in which case a written excuse must be given to the Extension Professional. Failure to comply will result in forfeiture of awards and suspension from exhibiting for one year. Unforeseen emergencies in a member's family will also warrant excuse-subject to approval by Extension Professional. Exceptions are only in cases cleared by Extension Professional.
 19. All bits used during Jr. Fair competition must be checked during designated bit check times and deemed to meet standards as set forth by the State 4-H Horse Rule Book. Bits not meeting minimum requirements will be held until release time of fair, at which time members may claim their bits.
 20. 4-H saddle horse exhibitors are expected to use common sense and safety precautions during the fair. This includes:
 - a. Keeping all horses between the barn and the horse arena at all times. NO riding on any other part of the fairgrounds.
 - b. All horses MUST be properly bridled and saddled when they are being shown or exercised. Everyone riding a horse or pony must wear boots that have a defined heel for the seat they are riding and as determined by 4-H advisor and club constitution.
 - c. There will be no washing of horses in the livestock wash racks Thursday of fair.
 - d. There is to be no galloping of horses/ponies or horseplay of any type in the arena, except for classes or practices where it is designated.
