All market livestock sales will be simultaneously LIVE and ONLINE!

All sales will take place in the Main Show Arena.
Bidders can bid using either method, but NOT both.

LIVE BIDDING:

Pre-register at: go.osu.edu/liveauctionreg.

- If you purchased at the live sale in 2020 you will receive details from the OSU Extension regarding registration verification.
- New buyers will need to pre-register.

ONLINE BIDDING:

Pre-registration, catalog viewing and bidding at: www.tusccountyjrfair.sale

- If you registered last year log in with the same username and password and pre-register for the 2021 sale.
- Catalogs will be available to view prior to the sale by species.
- During the auction you will have live audio feed with photos of the exhibitor on your screen.

FAQ

- o All animals will come through the sale ring with the exception of poultry and rabbits. Grand & Reserve Champion Poultry & Rabbits will go through the sale ring.
- o Random order will be assigned to all projects; the top 5 or 10 in each species will be re-sorted to the top of that specie's sale. Dairy Sale order will remain the same.
- o If you register for the virtual sale and then come in person, you must re-register for the live auction.
- o No payment will be taken at any of the sales. Buyers will be invoiced via email following the sales.
